RE: Newly Elected Community to Community (C2C) Program

---

**Recommendation:**

That the Regional District file the information from the Union of BC Municipalities and First Nations Summit, to host a Newly Elected Community to Community Forum, as there is not enough participant interest.

---

**Rationale:**

At the February 26, 2009 meeting direction was given to forward a letter to Treaty 8, and other First Nations groups in the region that are not affiliated with Treaty 8, to determine if they would be interested in participating in a Newly Elected Community to Community Forum. As the deadline to host the Forums is June 30, 2009 replies were requested by April 17, 2009.

We received one reply from Blue Berry River First Nations that two members of their council would be interested in attending.
