

Peace River Regional District

REPORT

TO: Chair and Directors

FROM: Faye Salisbury, Corporate Officer

DATE: November 5, 2009

RE: Jackfish Community Association Hall

Recommendation:

That the Regional Board approve the request by the Jackfish Community Association to install a gate at the Community Hall.

Rationale:

The Regional District owns the Jackfish Community Hall property and has a license agreement with the Association for its use. The agreement requires that they obtain the permission of the Regional Board before making any changes to the property.

Vandalism and vehicles rutting up the grounds is occurring more and more frequently. A loss control inspection done on behalf of the Regional District's property insurer earlier this fall made the following recommendation:

"To eliminate the on going vehicle vandalism within the ball field it is recommended that a gate with a padlock be installed at the main entrance to the property."

CAO:
