R E P O R T

TO:	Chair and Directors
FROM:	Director Fred Jarvis
DATE:	October 22, 2009
RE:	Attended the Northwest Corridor Development Corporation AGM

On October 5th, 6th and 7th I attended the above-noted meeting workshop conference in Prince George, BC

The key topics/points of interest were:

- Effects of Modern Day Pirates on our Economy
- Enbridge Northern Gateway Pipeline and Plants
- Prince George's Global Logistics Park
- Report of the Developments in and around Smithers
- Report on Operations at Prince Rupert Port

Topics of discussion that I particularly enjoyed or felt was relevant to the Regional District include:

The development, by initiatives firstly in the Prince George region, but now reaching out, in particular, the transportation routes to this area; and the development of produce to supply industry there with product to grow.

Action or follow-up required by:

- Regional District Director
 Regional District Board

- None
 Others

All Economic Development Agencies

Recommendations:

Encourage all interested in Economic Development in this region to get more involved with industrial partners to the west along the corridor, especially Prince George and the Alberta Peace.

The next meeting is scheduled for November 30 and December 1, 2009 in Victoria
