

Agenda

PEACE RIVER REGIONAL DISTRICT NB-1

DIRECTORS' NOTICE OF NEW BUSINESS

TO:	Chair and Directors
FROM:	Director White
DATE:	26 October 2009
RE:	TR Museum

Purpose / Issue:

To bring to the board an update on the activities of the PRPC and the activities in the Peace River District

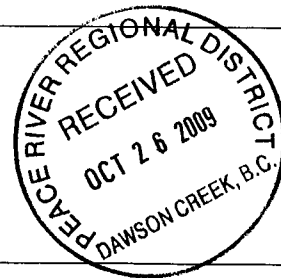

Recommendation / Action:

Recommend a 20 to 30 minute presentation added as Regional District Board's agenda item.

Background:

Over the summer the PRPC has been involved in the excavation of BC's first complete dinosaur skeleton and a presentation of the dig as well as other activities, would bring the Board up-to-date. As the Foundation has been funded from agencies within the Peace, it is important to have them report of their activities.
