Dear Karen Goodings:

Re: Infrastructure Stimulus Fund
Harper and Imperial Subdivisions - Community Sewer System

I am pleased to confirm that the Harper and Imperial Subdivisions - Community Sewer System project has been approved for up to \$1,178,566.00 in federal/provincial funding under the Infrastructure Stimulus Fund.

I understand that federal staff have assessed the project and have determined that it will be excluded from further review under the *Canadian Environmental Assessment Act*.

Please note that all projects approved under the Infrastructure Stimulus Fund must be completed by March 31, 2011. The Ministry of Community and Rural Development will provide a contribution agreement for this funding shortly.

If you have any questions, please do not hesitate to contact Glen Brown, Executive Director, Local Government Infrastructure and Finance Division, Ministry of Community and Rural Development, at 250-387-4060. I wish you every success with this community project.

Yours truly,

Sandra Carroll
