Dear Ms. Goodings:

I would like to thank the delegation from the Peace River Regional District for meeting with me at this year's Union of British Columbia Municipalities Convention held in Vancouver. I am writing to follow up on our discussion regarding Shapefiles and 911 mapping.

I appreciate hearing about your proactive approach to improve public safety. Creating sound linkages with all first responders in emergency programs and the broader emergency community is crucial. I have asked Mr. Wes Shoemaker, Deputy Minister, to ensure our provincial mapping agency is aware of the availability of your mapping files and is utilizing them as appropriate. Should you have any questions in the meantime, please contact Mr. Shoemaker at 250 953-4083.

Thank you again for the informative meeting. I appreciate these opportunities for dialogue and am confident that we can continue to work together to enhance the safety and security of British Columbia.

Yours truly,

Kash Heed
