Attention: Honourable Barry Penner, Minister

Dear Minister Penner:

Re: Private Lands Access through Moberly Lake Provincial Park

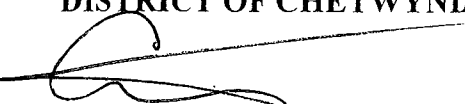

At the Regular meeting held on November 17, 2009, Council received a report from our Peace River Regional District alternate representative regarding the requirement for legal access to private properties situated adjacent to the Moberly Lake Provincial Park. We understand there are approximately seven private parcels of land without legal access to the public road right of way.

We support the Peace River Regional District's request to your Ministry in a letter dated November 16, 2009, for removal of the "dedicated park land south of the private lots in favor of crown land dedication, in order to accommodate private lot access that predated the establishment of the Moberly Lake Provincial Park".

Thank you for your assistance with this matter.

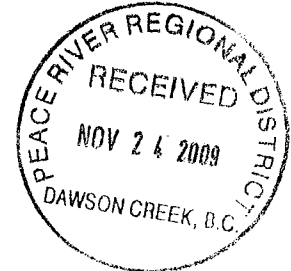

Sincerely,

DISTRICT OF CHETWYND

Evan Saugstad
Mayor
