DIARY ITEM	DIARIZED	COMMENTS	LAST REVIEW
1. Kiskatinaw Bridge - Federal Heritage Designation	07/02/22	Director Jarvis and April Moi attended Tourism Day on Parliament Hill in November 2007 and had good discussions with ministers. Mr. Mgrath and Michael Audy from the Historic Sites and Monuments Board said even though the bridge does not meet the criteria for historic site designation, they will work together with us – possibly through recognition of the whole Alaska Highway. The paperwork (Federal) is underway for national heritage designation of the whole Alaska Highway, which will include the bridge. Tour and meeting held June 24, 2008.	April 2009
2. Charlie Lake Cave - Heritage Designation	09/10/22	Regional District involvement would require creating a Heritage Service Function and establishing a Commission; creating a community heritage register; acquiring the land; and compiling the necessary documentation to be added to the Provincial Heritage Registry.	
3. Resources Expo 2010	09/11/12	Notification received October 15, 2009 from Maxine Koppe, NCLGA regarding the Resources Expo 2010 scheduled for June 3-5, 2010 in Prince George B.C.
