Karen Goodings  
Chair Peace River Regional District  
Box 810  
Dawson Creek, BC V1G 4H8

Dear Karen Goodings:

Re: 2010 Invasive Plant Program Partnership.

Thank you for your letter of December 3, 2009 regarding invasive plant management addressed to Honorable Barry Penner, Minister of Environment. Minister Penner has asked that I respond on his behalf.

Invasive species are a major concern to the Ministry of Environment. As land managers for Parks and Protected Areas we are committed to controlling invasive species within Parks. Park staff plan on participating and collaborating on measures to control these plants.

Rob Bressette, South Peace Area Park Supervisor, can be contacted (250-787-3562) to participate on the Pine Pass Invasive Plant Management Area Steering Committee. Pine Le Moray Park is centrally situated in the Pine Pass and plant control activities in the Park will need to be coordinated through him.

Thank you again and we look forward to working with the Peace River Regional District and other partners in this important initiative.

Sincerely

Maurice Lirette  
Regional Manager  
Environmental Stewardship and Parks and Protected Areas  
Peace Region
