Dear Chair Goodings and Board:

RE: OPERATIONAL FUEL MANAGEMENT PRESCRIPTION
Budget Amendment: Moberly Lake Prescription

I am pleased to advise that your revised application for the above cited fuel management project has been approved in the amount of \$462.00 or 100% of the actual eligible project costs, whichever is less. This approval is in addition to the \$3,000.00 grant approved in our letter dated August 27, 2009, for a total approved grant funding of \$3,462.00 or 100% of the actual eligible project costs, whichever is less. Please note that GST is not considered an eligible cost and has been removed from the total amended budget request.

Funds will be awarded upon project completion to the standard set out in the Program Application Guidelines document, confirmation of expenses by the Chief Financial Officer, and fulfillment of the reporting requirements.

We wish you every success with your project, and look forward to working with you further on fuel management activities.

Yours truly,

Brenda Gibson
