Dear Chair Goodings and Board:

RE: OPERATIONAL FUEL MANAGEMENT APPLICATION
One Island Lake Budget Amendment Request

I am pleased to advise that your revised application for the above cited fuel management project has been approved in the amount of \$4,050.00 or 75% of the actual eligible project costs, whichever is less. This approval is in addition to the \$13,500.00 grant approved in our letter dated December 4, 2009, for a total approved grant funding of \$17,550.00 or 75% of the actual eligible project costs, whichever is less. UBCM administers this program, with funding provided by Ministry of Forests and Range.

General conditions of approval are set out in the Program Application Guidelines document, available online at <http://ground.hpr.for.gov.bc.ca/>. Enclosed with this correspondence is documentation outlining additional conditions of approval of this application, if applicable, as well as details of the reporting requirements for the grant. Please forward this information to those responsible for implementing the project.

Funds will be awarded upon project completion to the standard set out in the Program Application Guidelines document, confirmation of expenses by the Chief Financial Officer, and fulfillment of the reporting requirements.

We wish you every success with your project, and look forward to working with you further on fuel management activities.

Yours truly,

Brenda Gibson
